ACKNOWLEDGEMENTS

The goodwill and cooperation of various people have gone into the research and documentation of this book. I am most grateful for the assistance of the following people with whom I have consulted and corresponded while this work was in preparation:

My son, David and his partner, Mary Lou Kelly for the encouragement and support they gave to this project, for reviewing the finished work and their editorial help;
My wife Joan for her skilful and helpful editing;
My friend Lex Bewley, for his careful editing and reader feedback.

All those who gave permission for the use of their photographs and graphics (their names/websites are appended in each case);
The many people with whom I corresponded during the course of writing this book.

All those who assisted with the technical aspects of this book, particularly Tobias Dietrich.
